A MINOR HOCKEY MESSAGE TO PARENTS

Marystown Minor Hockey Association realizes that parents are a vital part of the game. We encourage your participation in your child's hockey experience.

We ask that you as parents:

- Respect the Rules
- Respect the Coaches/Officials and their Decisions
- Respect the Opponents
- Maintain Self-Control at all Times for your Child's Sake

Marystown Minor Hockey encourages parents to maintain a positive outlook towards not only their own child, but to all the teammates and to the opposing players as well. Parents feel good when opposing fans clap for their player and their team. Share that good feeling by clapping for the opposing player or team when a good play is made.

Marystown Minor Hockey expects parents to understand that you are watching young players having fun and enjoying a sport they love. The children you watch on the ice do hear and see you at the rink. The children look to you for acceptance and praise.

Marystown Minor Hockey expects parents to act as positive role models for their sons/daughters. Yelling negative comments at opposing players, coaches or officials should not be done.

Accept the fact that mistakes will be made by some individuals during any games. Mistakes are made by coaches, players and officials. Be tolerant of mistakes. If you cannot accept what you perceive, volunteer into the Association and participate in order to correct what you consider to be wrong. Yelling and screaming negatives will only accomplish to isolate you from your friends and from your child.

Remember that the lessons learned in Hockey will be remembered long after the scores are forgotten.

FAIR PLAY POLICY

Fair Play is a program introduced into minor hockey to enhance and promote SAFETY and RESPECT with all participants involved.

Fair Play has five (5) basic principles:

- Respect the rules
- Respect the opponents.
- Respect the coaches/officials and their decision.
- Have everyone participate.
- Maintain self-control at all times.

Fair Play DOES NOT CHANGE ANY RULES OF THE GAME. Fair Play ENCOURAGES ALL PLAYERS ON ALL TEAMS TO BE AS COMPETITIVE AS POSSIBLE but within the rules.

Fair Play is introduced to promote SAFETY and RESPECT, and a positive environment in minor hockey for participants involved. The four (4) main participant groups are: the players, the coaches, the officials, and the parents. How these four (4) groups interact at any game determines how positive or how negative the event becomes.

FAIR PLAY RATIONALE:

- A Fair Play policy will outline the rights and responsibilities to all participants involved in our minor hockey association.
- A Fair Play policy makes all individuals aware that playing minor hockey is a PRIVILEGE, not a right.
- A Fair Play policy will provide our Association with a visible commitment that promotes the concepts of SAFETY and RESPECT.
- A Fair Play policy will outline a clear set of expectations and guidelines that all participants involved in our minor hockey program will follow.
- A Fair Play policy will define a positive set of expectations that our minor hockey association will provide, as a recreational organization, to all our participants.
- A Fair Play policy will be used to educate participants of the many positive contributions that minor hockey offers as a recreational activity in our community.
- A Fair Play policy ensures that all participants are aware of our Minor Hockey Association's philosophies and objectives.
- Fair Play will promote and develop a positive set of values to coaches, players, parents and officials in the Association. These values can further enhance the many positive aspects of the Minor Hockey Program.
- A Fair Play policy will develop a comprehensive guide by which this Association's executive body can run its programs, in addition to existing rules, regulations and objectives.

BENEFITS OF FAIR PLAY:

- Increased SAFETY and RESPECT on and off the ice by participants.
- Increased positive team unity.
- More appropriate spectator behavior.
- Decrease the win-at-all-cost attitude.
- Increase of on-ice positive behavior.
- Participants take more responsibility for their actions.
- Increase in sportsmanship.
- More parents become promoters of positive attitudes.
- Fair ice time for all players.
- New participants are drawn to the game of hockey by the positive aspects of Fair Play.
- Refocusing of the intent of minor hockey as a positive recreational program for many young players and other participants involved.

Fair Play Code for Players:

- I will play hockey because I want to, not just because others or coaches want me to.
- I will play by the rules of hockey, and in the spirit of the game.
- I will control my temper-fighting and “mouthing off” can spoil the activity for everybody. I understand that my actions will be dealt with by the Coaching Staff or the Executive.
- I will make every effort to attend scheduled practices and will perform to the best of my ability at all times.
- I will respect my opponents.
- I will do my best to be a true team player.
- I will remember that winning isn’t everything - that having fun and improving skills, making friends and doing my best are also important.
- I will acknowledge all good plays/performances - those of my team and of my opponents.
- I will remember that coaches and officials are there to help me. I will accept their decisions and show them respect.

FAIR PLAY CODE FOR PLAYERS:

- I will remember that participants play hockey for their enjoyment. They are not playing to entertain me.
- I will not have unrealistic expectations. I will remember that players are not professionals and cannot be judged by professional standards.
- I will respect the officials’ decisions and I will encourage participants to do the same.
- I will never ridicule a player for making a mistake during a game. I will give positive comments that motivate and encourage continued effort.
- I will condemn the use of violence in any form and will express my disapproval in an appropriate manner to coaches and league officials.

- I will show respect for my team's opponents because without them, there would be no game.
- I will not use bad language, nor will I harass players, coaches, officials or other spectators.

FAIR PLAY CODE FOR PARENTS:

- I will not force my child to participate in hockey.
- I will remember that my child plays hockey for his or her enjoyment, not for mine.
- I will encourage my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
- I will teach my child that doing one's best is as important as winning, so that my child will never feel defeated by the outcome of the game.
- I will make my child feel like a winner every time by offering praise for competing fairly and trying hard.
- I will never ridicule or yell at my child for making a mistake or losing a game.
- I will remember that children learn best by example. I will applaud good plays/performances by both my child's team and their opponents.
- I will never question the official's judgment or honesty in public.

FAIR PLAY CODE FOR COACHES AND OFFICIALS:

- I will be reasonable when scheduling games and practices, remember that players have other interest and obligations.
- I will teach my players to play fairly and to respect the rules, officials and opponents.
- I will ensure that all players get equal instruction, support and playing time. However, in some games, due to various situations such as penalties, injuries, illness and game circumstances, equal ice time for all players may be difficult to maintain.
- I will not ridicule or yell at my players for making mistakes or for performing poorly. I will remember that players play to have fun and must be encouraged to have confidence in themselves.
- I will make sure that equipment and facilities are safe and match the players ages and abilities.
- I will remember that participants need a coach they can respect. I will be generous with praise and set a good example.
- I will obtain proper training and continue to upgrade my coaching skills.
- I will work in cooperation with officials for the benefit of the game.
- I will not contradict another coaches' decision that supports the Fair Play Policy and Marystown Minor Hockey Association Policies.

REGISTRATION

All players participating in Marystown Minor Hockey activities must be properly registered. A player is registered when:

- A completed registration form has been filed with the Registrar of the Association and the registration fees have been paid. Note that ALL registration must be done through the MMHA Registrar and not through Division Directors.

- Any player registering for Initiation in MMHA must be 4 years of age. This may occur at any time during the season and registration will be prorated.

- Females have to be eight (8) years old in order to register in Female hockey. The only exception will be if a female player is seven (7) at the time of registration and wishes to play Female; they can do so once they turn eight (8) years old.

- All NSF cheques must be made good within two (2) banking days of notification or registration will be rescinded. NSF fees will be covered by the issuer of the cheque.

- Registration rates for all players registered in Timbits U7 to U18 and all Female Divisions is \$375 and \$300 for registered goalies.
- Prorate registration and refunds will be based on the duration of each hockey season and when the registration to start or refund is being made
 - $(\text{Registration Cost} - \text{Insurance Fee}) / \# \text{ of Weeks in Season} = \text{Cost per Week}$
 - $\text{Prorate Registration Cost} = (\text{Full \# Weeks Remaining} \times \text{Cost per Week}) + \text{Insurance Fee}$
 - $\text{Refund Amount} = (\# \text{ of weeks left in season} \times \text{Cost per Week})$
 - NOTE: Insurance will not be refunded at any time throughout the hockey season.
- Initiation and Novice goalies will pay \$375 as required and at the end of the season, after playing as a committed goalie all season, will receive a refund equal to the regular MMHA goalie rate. This is something to be looked at in divisions where number of goalies affect playing time. The refund will be made at the end of the hockey season. No goalie refunds will be given past August 31, as this is the end of the HNL hockey season.
- Once players are registered during open registration they are assigned to appropriate division. After the final day of open registration, no player will make a lateral move to another division; this is due to numbers and cap sizes.
- Registration must be paid in full on or before November 13th of hockey season.
- After all open registrations are closed, any waiting lists that become established will be reviewed by the Executive and decisions will be made on placement availability. Timbits U7 and U9 Divisions will hold no cap after open registration. Both divisions are developmental years and will continue to accept players throughout the season if needed. In the event of uneven teams, the division may be capped after the even number of players on teams are named. This is determined on a first-come, first-serve basis (ie. A division has two (2) teams, one with seventeen (17) & one with sixteen (16) ,

registration will be accepted to have two (2) teams of seventeen (17) after final registration).

- After open registration, house league divisions will be capped at:
 - 2 team divisions will be a maximum of thirty-four (34) players and four (4) goalies; if no goalies register in the division, then the maximum players will be thirty-four (34).
 - 3 team divisions will be a maximum of fifty-one (51) players plus six (6) goalies; if no goalies register in the divisions, then the maximum players will be fifty-one (51).
- A third team for house league will be determined after open registration if numbers and ice time warrant. There is a maximum of forty-five (45) skaters required; with 3 teams of fifteen (15), for a third team to be considered.
- For U18 Division only; there will be a maximum of seventeen (17) players and a minimum of twelve (12) players per team; based on games only and players age and size. This will be reviewed annually where numbers warrant.
- Female players will register to play in the Female Division (U12, U15, U20) and play Female OR register in Minor Divisions (Timbits U7, U9, U11, U13, U15, U18) and play Minor (ie. If a player is registered in U12 Female, she cannot play U9, U11 or U13; an U15 Female cannot play U13 or U15; and U20 Female cannot play MU18).
- If a player leaves MMHA within fourteen (14) days after the commencement of the regular season, a full refund will be given. Refunds after this date, will be on a prorated basis, minus the annual insurance fee.
- Absolutely NO refunds will be granted after January 15th unless a medical note is provided.
- Anyone applying for any funding (ie. Jumpstart, Breakaway Foundation, KidSportNL) must provide proof of application at time of registration. A minimum of 50% of the total registration cost will be due at this time. Once approved, payment will be refunded to the parent.

ON-PAYMENT OF FEES

The Association reserves the right to refuse any player the right to further participation in games and practices for non-payment of fees. The Association will encourage families to settle their outstanding accounts with the Association prior to refusing players from further participation. - ❖ No player in MMHA may play or practice with any division other than his/her own without permission from two (2) of the following three (3); the Division Director (of higher division), MMHA Technical Director and/or MMHA President.
- ❖ Any parent wishing their child to move to another division must complete a "Change of Division" form and submit to the President at registration, stating all the reason why the child should be moved. Once a player has moved to a higher division, further movement up or down must be approved by the President and MMHA Technical Director.

Once a “Change of Division” form has been submitted, the evaluation process will be set up according to availability of volunteers; a representative of division requesting to leave and representative of division requesting to join, and MMHA Technical Director. The representatives will be appointed by the MMHA Technical Director based on appropriate knowledge. Note that any “Change of Division” requests made will take place after All Star Tryouts; leaving player to participate with the current division until that time.

Upon proper evaluation of the player(s) requesting to move, the following criteria must be met:

- A forward has to be rated as one of the top three (3) forwards trying out for the higher division.
- A defenseman has to be rated as one of the top two (2) defenseman trying out for the higher division.
- A goalie has to be rated as the top goalie trying out for the higher division.

PLAYER EVALUATION AND SELECTION

ALL STAR SELECTION PROCESS

Objective:

- The evaluation process is intended to provide as fair and impartial an assessment of a player’s total hockey skills as possible during the skating and scrimmage sessions. This ensures that players have a reasonable opportunity of making a team appropriate to their skill level as determined during the on-ice evaluations.
- The selection criteria will be similar for all. This ensures consistency in the evaluation process and provides consistency in player and parent/guardian expectations from year to year as MMHA continues to develop the player evaluation process, and the players move through the various levels of MMHA programs.
- Evaluations will be documented and remain confidential. Individual evaluation scores and rankings will not be released, as the purpose of the evaluation is to select players for the formation of teams, not for any other purpose. Under no circumstances will evaluation results be released to parent/guardians or players. The evaluation sheets and the ranking criteria will only be made available to the MMHA Technical and President/Vice President of MMHA for review/discussion in the process of selecting players to form teams. These individuals will not release evaluation data.
- Any injury, illness or extenuating circumstance which prevents a player from competing in the evaluations will be dealt with on a case by case basis.

ALL-STAR GENERAL RULES

- Every player registered with Marystown Minor Hockey Association has the right to try out for the All-Star Program within his/her Division. In other words, Minor House League tries out for Minor All Star, and Female House League try out for Female All Star.
- Players must commit to be available to play in three (3) tournaments PLUS Provincials. Note that a tournament will consist of a minimum of three (3) games.
- Players intending to travel on EF tours, Easter vacation or involved in any other organization whereby an individual cannot attend Provincials and wanting to try out for an All-Star team can only be chosen as a team alternate.
- Some players, because of their skill level, may play in House League in a higher Division, but must return to their own Division (ie. U13 back to U11) for All Star. Please refer to Player Movement section and HNL Policy.
- U9 players can only play on the Atom All Star team if numbers warrant. Follow HNL Policy regarding this matter.
- Eight (8) year old female players registered in the U12 Female Division are not eligible to try out for the U12 All Star team due to HNL Policy. Players may be picked up for invitational tournaments throughout the season, only if needed. Note: If multiple underage players are interested in participating in invitational tournaments from the U12 Division, players must be rotated for different tournaments.
- Selected players for All Star team must attend all scheduled practices (unless excused by the coach) and otherwise demonstrate commitment to the team, including displaying appropriate on-and-off-ice behavior at all times. Failure to do so may result in disciplinary action. Any player missing practice for any reason must inform the coach beforehand by email or phone.
- Should a selected player decide, either prior to or at time of payment of All-Star fees, not to participate in the All-Star Program, then the fees for that player shall be prorated based on the number of weeks expired in the All-Star Program.
- There will be a fee of twenty-five (\$25) dollars for All Star tryout per player, which must be paid in full prior to the player going on the ice for the first evaluation session. All Star tryout fees will be kept in the General Revenue of MMHA to offset the cost of ice time.
- A total of five (5) tryout sessions will be standard practice for team selections in divisions where numbers warrant a Team 1 and a Team 2, while in divisions where only one team will exist, four (4) tryout sessions will be standard practice.
- The team must select, and register, the maximum number of players (ie. Seventeen (17) skaters and two (2) goalies if try out numbers permit.). This provides alternate players that must be utilized, should other players be unavailable. All teams must travel with a full roster where possible. Two (2) players WILL be designated as alternates. Team 1 alternates will usually attend Team 2 practice but may only attend Team 1 practice before the tournament for which they are called up for. Alternate players All Star fees will be 50% of All-Star registration, plus twenty-five (\$25) per tournament, to a maximum of \$200. Note that alternates of Team 1 that play on Team 2, do not pay additional fees.

- Alternate players MUST be utilized in order to fill roster for all team play (ie. Exhibition games, tournaments, etc.). Where alternate players of Team 1 are required, communication must be between Team 1 Head Coach and Team 2 Head Coach. Team 2 Head Coach must grant permission for alternates to play with Team 1.
- Any division having only two (2) goalies trying out for All Stars, must name the two (2) goalies to Team 1. The remaining roster for Team 2 can be filled by acquiring remaining goalies within MMHA and other nearby Associations if needed. As per HNL Policy.
- The minimum number of players to name a roster for All Star team is 12 skaters. This allows for practice hour, team budget, jerseys, etc, and follows HNL Policy. With increasing teams and limited ice time, teams may need to travel to Fortune for practice hour.
- Alternate players shall be advised of their status with the team and their agreements should be confirmed no later than seven (7) days before registration fees are due.
- Any player who tried out for All Stars and did not make the roster on that team, are eligible to be picked up by another Association. If player is an alternate for a MMHA team, their first priority is with their home Association. Any player (minor or female) that is an alternate for any team in Marystown Minor Hockey Association that takes a position on any other team roster will forfeit their alternate position (ie. U12 alternate player picked up to play on MMHA U13 Minor team will no longer be an U12 alternate OR MMHA U11 Minor alternate picked up to play with another Association (ex. United Towns or Clarendville, etc) their position as a permanent roster player is forfeited. If player is an alternate player for an MMHA team and requested by another Association for an Invitational tournament, their first priority is with their home Association. Contact should be made with Head Coach or Manager of team.
- If an alternate player is released to another Association or chooses to quit the All-Star program, if time permits the next player on the master list will move to the alternate position.
- For Invitational Tournaments, any player can be released for a weekend tournament only.
- Parents/Guardians of players must be advised of All-Star registration fees and other financial commitments (ie. Travel to various tournaments) before the player is told that he or she has been selected for the All-Star team.
- In divisions where the number trying out for an All-Star team is less than sixteen (16), this evaluation process will not be enacted.

If there is a need for players to be picked up to fill a roster (fifteen (15) skaters and two (2) goalies) on a minor All-Star team, the Association will go to the age-eligible female players that tried out for the female team and were unsuccessful. If there are still not enough players, they can go to the female team for age-eligible players to make up the team before putting it out to other Associations. If there are, then, too many players come forward, names will be chosen by random draw. Any player(s) that is picked up is now a permanent rostered player and must pay the All-Star registration fees. Any team looking to fill their roster must approach the Executive about doing so within two (2) weeks of the All-Star teams and coaches being named.

ALL STAR PLAYER SELECTION PROCEDURE

- A minimum of four (4) evaluators and a maximum of six (6) evaluators will make up the evaluation teams in each division. These evaluators will be selected from those who have checked the evaluator box on their volunteer form. In the case of large numbers of evaluators for a division, the executive will short list evaluators to the maximum number.
- The evaluators involved will not evaluate any division of their own children, nephew or niece; any other relation will be left up to the discretion of the evaluating team and the Technical Director.
- **Evaluation process will NOT start until the required number of evaluators are met for each division. Wherever possible, an evaluator will be assigned to only one (1) division.**
- The evaluators will be provided with evaluation sheets that include jersey numbers for the jerseys.
- The coaches will have to meet with Technical Director before practice in order to receive the practice plan to be used in the tryout sessions. These drills will demonstrate the skills evaluated in the evaluation sheets. Coaches MUST follow the practice plan provided.
- The evaluators will be required to separate themselves from each other in the arena during evaluation sessions. Parents/Guardians shall not sit near or engage in any discussion with the evaluators during the evaluations process, nor will parents/guardians have discussion with the on-ice coaches.
- Team 1 will list two (2) alternates, as per evaluation; players 16 & 17. These players will rotate as need by Team 1. If alternates cannot make it for some reason, they do not go down through the list beyond players 16 & 17.
- Team 2 will list two (2) alternates, as per evaluation process players 31 & 32. These players will rotate as needed by Team 2. If alternates cannot make it for some reason, they do not go down through the house league rosters. If alternates for Team 2 quit the All-Star program, the alternate replacement will be made to the team by the Technical Director referring to the master list.
- Players are required to wear jerseys provided by the Association during all evaluation sessions and must wear the same jersey and number throughout the entire evaluation process. **Any players not having assigned jersey, will not be permitted on the ice until wearing the jersey. This is the responsibility of the parent/player to make sure that jersey, along with all other mandatory equipment, is in place.**
- Tryout sessions will be comprised of one (1) technical drill session and two (2) time-controlled scrimmage games (ie. timed shift changes).
- In divisions where two (2) All Star teams exist (Team 1 & Team 2), the evaluators will meet after the third (3rd) tryout session to discuss players that will make Team 1. Players who all evaluators agree on, to a maximum of ten (10) players and one (1) goalie, will be placed on Team 1 and will not attend the remaining evaluation sessions. Number of players to be named will be determined by the Technical Director based on numbers.

- In divisions where numbers do not warrant a Team 2, all players will have three (3) evaluation sessions; one (1) practice and two (2) time-controlled scrimmage games. Numbers for the second team will be determined seven (7) days before the first All Star tryouts start so that the schedule can be determined and approved by the Executive. Again, a number of players, up to a maximum of ten (10) will be placed on the All-Star team after the second(2nd) tryout session. Number of players to be named will be determined by the Technical Director based on numbers after the second (2nd) session; since on-ice coaches will need enough players for the final scrimmage sessions.
- Players placed on Team 1 during this meeting is based on the rationale that this will give the evaluators a better opportunity to assess the skills of the remaining players competing for these available positions during the last two (2) scrimmage sessions.
- After the fifth (5th) evaluation tryout, both All Star Team 1 and All-Star Team 2 will be picked.
- After the fifth (5th) tryout the evaluators will meet and agree upon the selections and then submit to the Technical Director for review of the overall evaluations. After the team(s) have been finalized, the team lists will be emailed to the Public Relations. Players are to be notified by MMHA website in alphabetical order in a timely fashion.
- Any Parents/Guardians wishing to appeal their child's placement on a team, has two (2) days from the date the team is posted to the MMHA website to make an appeal.
- If an appeal is made; the team roster will be removed from the website until the appeal process is complete. Maximum of seven (7) days for the appeal decision to be rendered. If All Star practices have been set to start, the affected team(s) will forfeit the practice hour for that week.
- In All Star tryouts, if there is an appeal put in by parents/players, the Technical Director and President shall consult with the Evaluators during the review process.
- Two (2) weeks after team rosters have been finalized, all evaluation sheets will be destroyed. There will be a master list of all teams kept, by the MMHA Technical Director, for future use.
- The Technical Director will hold the master list for all divisions which will show each division having players ranked from top to bottom; therefor able to place players accordingly if needed.
